

DOWNLIGHT 6INCH

The retrofit downlight surpasses most other recessed lights on the market. It has an aluminum heatsink for efficient heat dissipation, and a state of the art LED driver which gives it excellent dimming performance. At 1500 Lumens, and fully dimmable, you have plenty of light when desired. The architectural depth of 1.5 inches will reduce any glare emitted from the LED Chip. The light turns on instantly, and is not affected by frequent on/off switching.

Applications:

- Recessed Downlighting
- New Construction
- Residential Lighting

Product Information:

- Increase energy savings and shorten payback period
- High intensity: ready to replace existing 100W-150W incandescent
- Title 24 (Ideal) Connector Plug
- Dimmable: Compatible with most dimmers down to 5%
- Fits most 6inch cans
- Chip: Luminus XNOVA COB
