EnVisionLED™

EXT SnapTrim Downlight

4-6" Round

4-6" Square

8" Round

EnVision LED has developed a line of super slim LED downlights that eliminate the need for a can. The external remote junction box mounts inside the ceiling and the fixture is IC Rated. EnVisions EXT SnapTrim downlights feature three interchangable trims, including black, bronze, and brushed nickel. By reducing material cost and installation time, the EnVision SnapTrim is the ideal retrofit or new construction recessed lighting solution yet. Simply cut a hole in the ceiling, power the J-Box to the wall switch, and "snap" the trim flush.

Applications:

- Retrofitting
- New Construction
- Residential Lighting
- Commercial Lighting

Product Information:

- External j-box & spring mount clips for easy installation
- '-TRI' version toggles between 3000k, 4000k, & 5000k
- Compatible with most dimmers (e.g. Lutron DVCL-153P)
- Spring mount clips make installation easy
- Canless module does not require housing

See pg. 4 for full list of accessories

Dimmable · ENERGY STAR · ETL Intertek

FEATURES

Quick Connector
Extend distance between driver and fixture

Tri-Color Switch
Easily switch between 30/40/50k color temp.

Durable Aluminum Body
Eliminate heat with a die-cast aluminum heat sink

Easy Installation
Tension Spring Clips

Frosted PC Diffuser
Diffused light makes the recessed downlight easy on the eyes

Knockout
½" knockout makes it easy to connect power to the driver

INSTALLATION

The slim panel LED redefines recessed downlighting installations. With the narrow design and remote driver box, the panel LED can be installed in confined, hard to reach spaces such as closets, bathrooms, hallways, stairwells, outside soffits and other areas that would have been nearly impossible with traditional recessed housings.

**Make installation quick and simple with EXT SnapTim series LED fixtures**

Traditional recessed downlight

Requires recessed can housing

EXT SnapTrim Panel LED

External driver · Spring clip

Does not require recessed can housing

Recessed fixture
