

Enerlites®

3-WAY DECORATOR SWITCH RESIDENTIAL GRADE

MODEL NO: 93150

DESCRIPTION

The ENERLITES 93150 switch features smooth, quiet paddle action. Push-in and side wired makes installation quick and simple with its versatile design. The narrow body leaves room in the box for more wires. The impact resistant thermoplastic body is built strong to endure years of use as well as being resistant to a wide temperature range. You can transform the look of your home and increase its resale value with these modern switches.
