4 & 5/6" Retrofit Downlight

3-Power + 5CCT Selectable

4 inch

5/6 inch

The EnVision architectural retrofit downlight surpasses other recessed lights on the market. Now with power and color changing technology, decide which CCT you wish to be displayed with the flick of a switch. Save money with 80% energy savings compared to incandescent and halogen bulbs. Suitable for damp locations and requiring no tools for an easy installation.

Applications:

- New Construction
- Recessed Downlighting
- Residential Lighting

Product Information:

- IP65 Wet Location
- Selectable between 5CCT, and 3 different wattages
- Instant On
- Compatible with most dimmers down to 5%
- High CRI>90
